EMPLOYMENT OPPORTUNITIES

Infrastructure Services Technician III

Your Career, Your Community

As an Infrastructure Service Technician in the City of Salisbury, you can make a difference! The Infrastructure Services Division is seeking motivated candidates who will perform high levels of technical work assisting in all aspects of Salisbury's outside optical fiber plant. Main responsibilities may include but are not limited to performing optical fiber splicing, supporting Salisbury's optical fiber network, customer service drop installation and splicing, installation of conduit, cables or direct bury, customer premise installations, residential and business wiring, as well as facility repair and maintenance. Responsibilities may also include traffic control operations, sign maintenance and street marking. Join our team for a rewarding career that includes many benefits such as: 401K, Wellness Clinic, Insurance and more.

Minimum Requirements:

- High School diploma or equivalent required or combination of education and considerable experience in fiber splicing, testing & validations, plant maintenance and restoration, premise installation and service and building maintenance/repair.
- NCDOT traffic system experience and IMSA certification preferred
- Experience with a previous FTTH deployment is a plus
- Must have a valid NC Driver's License
- May be required to work outside normal hours in emergency or on-call situations

Closing Date: December 24, 2014

Pay Range: \$17.27 - \$23.58/hr

Please apply online at www.salisburync.gov/hr
